Dear Mr. Nash:

Enclosed please find the signature page for the CERCLA Section 122(g)(4) De Minimis Contributor Administrative Order on Consent, executed by Allan K. Rodd, the President of the Wooster Brush Company, a De Minimis generator. From my conversation with you today, I understand that we will be notified when the check for settlement of claims is due.

I want to thank you for the matter in which you have handled this site; it was straight forward, so that those of us who are not specialists in environmental law could feel comfortable, in understanding and participating in the proceedings.

We will wait to hear from you as to when the settlement check is due.

Very truly yours,

Ralph D. Amiet
